VOL. VI. RENO. WASHOE COUNTY, NEVADA, THURSDAY, OCTOBER 3, 1878. NO. 4.

DEATH OF ANNIE COOK,

Atoning for a Life of Shame by a Death of Honor.

Many years ago there came to this city from Ohio a handsome German girl, who found employment with a family near First and Green streets. Her expressive language, personal beauty, rich voice and magnetic person made her a general favorite. When she saw any one suffering her eyes would grow soft with a beautiful, mysterious radiance, as she extended a helping hand. She seemed in good spirits at times, yet there was something about her general demeanor that told that her poor soul was groaning beneath the burden of a mighty sin—really a calamity, and known to the laws of society as a crime. Society is cold and heartless, and rules with an iron rod.

This was twenty-five years ago. The fair young girl grew up to womanhood, an , as a woman of the town, her name was known as Annie Cook. Her real name remains as much of a mystery here as the nameless sin that drove her from the scenes of happy, joyous childhood. At one time she might have returned, like the dove to ark, had it not been for the frowning world. The leading characteristic of her life seemed to be to help the suffering. When she lived in this city, on Madison street, a poor family became helpless with the small-pox, and this woman was found at their bedside administering to their wants. Notwithstanding her life, she endeared herself to many of the people here Shortly after the war she became dissatisfied and went to Memphis. Nothing more was heard of her until the yellow fever scourge of 1873. Then she threw her house open that had been dedicated to shame, volunteered as a nurse, and watched over the dead and dying like a ministering angel.

The generous public approved, silently of course, of her noble deeds, and she lived on through years of sorrow, the same strange, mysterous woman, until the breaking out of the present scourge, when she again discharged her women, offered her house as a hospital and her service as a nurse. Yesterday the wires whispered the news of her death. Poor, ill-starred, misguided woman! Whatever her sins may have been, she has laid them down with her life, and may we not hope that her chances for a life of happiness "up there" are secured by an earnest repentance and a self-sacrifice that cost her life. Mary Magdelen became the most devoted of His followers, and now that Annie Cook's life has ended in sacrifice for others, there is hope that it may be said to her, "For inasmuch as ye did it to the least of these, ye did it also unto me."

The Anti-Socialist Bill in Germany.

BERLIN, Oct. 2.—The committee on the Socialist bill have commenced the second reading of that measure. Count Von Elenberg, minister of the interior, said the amendments made on the first reading appeared, as a whole, acceptable, but the government wished that some minor alterations should be made. The members of the Court of Appeal must be selected from the highest courts of justice, and the emperor must have the the unrestricted right to appoint its president and vice-president. The limitation of the operation of the law to a period expiring on March 31, 1881, was inadmissable. The term was too short. The government preferred that no definite limit should be imposed.

Yellow Fever Reports.

NEW ORLEANS, October 2.—Governor Nicholls has issued a proclamation recommending October 8th as a day of fasting, humiliation and deliverance from the scourge. From noon to 6 P. M. 17 deaths and 136 new cases were reported.

MEMPHIS, October 2.—From noon yesterday until to-day thirty-eight deaths were reported.

BATON ROUGE, October 2.—Yellow fever is increasing at a rapid pace. Eighty-eight new cases were reported yesterday, and a large number will be added by this morning's report. Six deaths occurred since yesterday. The epidemic must soon reach its climax here.

A. P. Church Insane.

SAN FRANCISCO, Oct. 2.—A. P. Church was placed on trial in the Fourth District Court to-day for the murder of James Baxter, night clerk of the Coso lodging-house, last May. During the trial the prisoner, in what seemed a fit of frenzy, made a dash for liberty, but was caught by the officers in attendance. Considerable excitement prevailed in the court-room for a few moments. Counsel for the defense pleaded insanity, which seemed justified by the glassy, glaring eyes and wild actions of the prisoner.

A Nuisance.

NEW YORK, Oct. 2.—The *Times* says the Metropolitan elevated railroad has been presented by the grand jury as a nuisance, and the case is to go before the Attorney-General for his action. An indictment has not been presented, as it was thought a criminal proceeding would not prove to be the most speedy and efficacious method of abaiting the nuisance. The reasons are the dropping of oil cinders, the escape of noxious gases, and the intolerable noise.

Soon after 10 o'clock Wednesday O'Leary finished 196 miles, and at 10 Hughes had made 174 miles.

CONDENSED TELEGRAMS.

Latest dispatches from Colorado give assurance of two-thirds Republican majority in the Legislature.

A telegram from Constastinople says the Porte intends submitting a treaty of peace with Russia to the Powers.

Cyrille Dion, the celebrated billiard player, died of congestion of the lungs, en route for the Courtney-Hanlon race Wednesday.

A correspondent at Paris telegraphs that the international peace congress ended Tuesday with a sitting that was somewhat confused and stormy.

A dispatch from Bombay says the latest news from Simla is that an opportunity has been offered the Ameer to make amends for the affront offered the British envoy.

A special from Des Moines, Iowa, says the consolidation of the Democratic and Greenback State ticket, announced Tuesday night, is received with great satisfaction by both these elements.

O'Leary completed his 170th mile at 10 o'clock one minute and three seconds, and Hughes his 150th at 10: 37 Tuesday night, at which time he was twenty-two miles behind. O'Leary is in fine health, but Hughes is fagged.

J. M. T. Partillo, of Washington, D. C., at the Columbia rifle range on Tuesday, made fifteen consecutive bullseyes at 800 yards, fourteen bullseyes and one center at 900 pards, and fifteen consecutive bullseyes at 1000 yards, making a score of 224 out of a possible 225.

A Vienna correspondent writes that Herr Tisza, the Hungarian Premier will resume his office, as he only joined Finance Minister Szell in his protest for the sake of form, the Hungarian Cabinet being, according to the constitution, collectively responsible. Tisza is in accord with Count Andrassy's views.

A Vienna dispatch says the Emperor has not yet accepted the resignation of the Hungarian ministry. Here the crisis is considered to be more a question of figures than of principle. Much depends on the ministry deciding whether the occupation of Novi Baza shall be affected this year or next.

The London *Daily Telegraph* states that a circular signed by all the Scotch banks has been issued announcing that the City of Glasgow bank would not open its doors Wednesday, and would cease to issue notes. In order to lessen the inconvenience to the public the other Scotch banks will accept its notes as usual. The City of Glasgow bank has a paid up capital of £1,000,000.

SPECIAL NOTICES.

Don't Forget it.

If you are troubled with nervousness, are disheartened, tired of life, fear death or feel out of sorts, as the saying is, you may safely conclude that you have the Dyspepsia or Liver Complaint. The liver is very apt to become torpid at this season of the year, as poisons arising from marshes, stagnant water are more numerous, and are, through inhalation, taken into the blood. Unless the liver is strong and active, and furnishes a supply of fresh and pure blood to drive out the impurities, the above mentioned symptoms surely follow, and if not heeded, end in more terrible diseases and death. White's Prairie Flower proves itself the great liver panacea. Its action on the liver is different from any medicine ever compounded. Its cures are truly wonderful. Try it. Price, twenty-five cents and seventy-five cents. For sale by our druggists, OSBORN & SHOEMAKER. au7 eod

SECTARIAN INSTRUCTION.

Concerning the frantic endeavors which the Virginia *Glimmer* is making to prejudice Rev. J. D. Hammond and his candidacy for Superintendent of Public Instruction, before the people. It may be interesting to read the Constitutional provisions in regard to the matter. When read it will be seen that the Democrats are standing upon their usual amount of sophistry, in their objections to Mr. Hammond:

Section 1 of Article XI of the Constitution declares that the Legislature shall "provide for the election by the people, at the general election, of a Superintendent of Public Instruction whose term of office shall", etc.

Section 2 of the same article directs that "any school district.....which shall allow instruction of a sectarian character therein, may be deprived of its proportion of the interest of the public school fund during such neglect or infraction," etc.

Article 9 of the same section says: "No sectarian instruction shall be imparted or tolerated in any school or university that may be established under this Constitution."

The Superintendent of Public Sch[illegible]as nothing to do with the teac[illegible]f creeds in the first place, and in fact has very little influence upon the methods adopted. The duties of the office are largely clerical, and as will be seen above there is an effective prohibition of any sectarian exhibition in our public schools.

FOR ATTORNEY-GENERAL

M. A. Murphy, the Republican nominee for Attorney-General, promises to make vote hunting a very exciting chase for Gen. Kittrell during the present year. Mr. Murphy lives in Aurora and commands the respect of the entire population, regardless of party. In Bodie, too, he enjoys a large acquaintance and his candidacy excites much interest. Kittrell is reported as feeling very confident of his ability to erase Mr. Murphy from the Republican slate, but we fail to see any justification for his confidence. Mr Murphy's nomination satisfies the question of geography, his standing as a citizen and lawyer is first class and he will guarantee the Republican ticket a large majority from his county. If the other candidates do as much as our next Attorney-General, the entire ticket will be elected. The Bodie *Standard* says: "Attorney-General J. R. Kittrell was pitted against the weakest man in the State of Nevada at the previous election, and won by a scratch. He must have gained much in public opinion and favor if he wins this fight."

CURIOSITIES OF THE CONVENTION.

Under this head the Sacramento *Record-Union* gives the composition of the California Constitutional Convention as follows; Lawyers, 59; farmers, 36; merchants, 10; miners, 4; mechanics, 20; clerks, 3; teachers, 2; physicians; 5; journalists, 3; restaurant keper, 1; capitalist, 1; Justice of the Peace, 1; Deputy Sheriff, 1 and three whose occupations are not given on the homographic chart. The total number of members is 152, but as there are three vacancies, 149 members run the convention.

All the delegates at large were elected on the non-partisan ticket, and of these 16 are Democrats and 16 are Republicans, when in party harness. Of the Workingmen's delegates their former politics were: Democrats, 18; Republicans, 22; Independents, 2; unknown, 3; total, 50.

Of the non-partisan delegates from counties, their former politics were; Democrats, 21; Republicans, 17; Independents, 2; unknown, 3;

It now appear that the late Gustave Mahe, of the French Savings and Loan Society, was a defaulter in the sum of $316,285, and that he commenced his systematic method of robbery as far back as 1872. If there is any trouble about securing a successor for Mr. Mahe, we can furnish a reporter from this paper who has a large experience in banking affairs and plays a better system than Mahe.

The *Silver State* has evidently a new editor, and the new man can't read. If he had this qualification for Republicanism he would hesitate to missrepresent his neighbors. Charity for Democratic weakness, however, makes us overlook his errors. He who strikes in the dark necessarily strikes wildly.

Colonel John P. Hedge has been chosen President and J. A. Johnson Secretary of the California Constitutional Convention. Johnson beat M. D. Boruck for the secrataryship by a vote of 77 to 71.

George Butts who was unfortunate enough to kill Wm. Roberts, was executed in Nevada City, California, Oct. 1st. Butts declared all the time that he did it in self-defense.

Defalcation in a Providence Bank.

PROVIDENCE, R. I., Oct. 2.—Further examination in the affairs of the Grocers' and Producers' bank indicates that the defalcation of cashier Calder certainly reaches $80,000 and probably $100,000. Fully half the capital of the bank is gone, but it is expected that a considerable amount can be recovered. The directors have requested Gov. Van Zandt to appoint special commissioners with the view to winding up the institution. Probably the depositors and other creditors are secure, and the stockholders will get something ultimately. The cashier declared that he took the funds to accommodate his friends—or those he thought were his friends—who promised to repay but did not, though often requested. The names of these illegitimate borrowers are not given. One director is understood to be a debtor for $20,000, which will probably be made good. The general impression is that the cashier himself used some of the money. The drain has been going on two years or more, and the deficiency has been concealed from a not very rigid secretary by an extensive system of borrowing. Cashier Calder was arrested this evening and locked up. He is a young man who has stood well in the community, a member of the second Baptist church, treasurer of the Sunday school and an active member of the Young Men's Christian Association.

A Fast Day in Louisiana.

NEW ORLEANS, Oct. 2.—Governor Nicholls has issued a proclamation recommending Wednesday, October 9th, as a day of fasting, humiliation and prayer, for the deliverance from the scourge. From noon to 6 P. M. seventeen deaths and 136 new cases were reported, of which eighty-five occurred since September 28th.

FELLOWS'

Compound Syrup!

—OF—

HYPOPHOSPHITES.

THIS DISCOVERY

Is the result of a series of Scientific Experiments based upon the theory that "for the successful cure of Wasting Diseases, the nervous system must be made vigorous and healthy."

One of the first symptoms of disease affecting either the Liver, Lungs, Heart, Stomach, or Genital Organs, is a loss of nervous power. This is followed by muscular relaxation, weakness, and emaciation of all the organs which depend upon them for health or involuntary muscular action, the weaker suffering first.

The Inventor, acting upon this idea, that the muscles and nerves depend upon each other for efficient strength and action, and that they must be treated directly in order to speedily and permanently cure diseases of the organs which they control, became convinced, after months of experiment, that no other preparation produced such potent and direct effects upon the nervous system as his

Compound Syrup of Hypophosphites

and except in cases of actual organic loss, that it would restore patients suffering from those maladies.

Amongst the diseases overcome by the use of this remedy are the following:—

Chronic Constipation,
Chronic Dyspepsia,
Asthma,
Chronic Bronchitis,
Consumption,
Chronic Diarrhœa,
Chronic Laryngitis,
Melancholy,
Nervous Debility.

Debility, resulting from Typhoid and other low fevers, Diphtheritic Prostration, Hysteria, Hypochondria, Nervous Excitability, Marasmus or Wasting of the Muscles, Aphonia or Loss of Voice, Sluggishness of the Liver, Interrupted and Feeble Action of the Heart, SUFFOCATING FEELINGS caused by mucous obstruction of the Lungs and Air Passages leading thereto, and Debility from various causes.

Indigestiveness and habitual Costiveness almost always arise from weakness of the muscles and nerves of the stomach and bowels. In such cases, Fellows' Compound Syrup of Hypophosphites has proved itself of the greatest service by inducing healthy peristaltic action of the intestines. The evacuations soon become copious and healthy, without producing the effect of purgative medicine.

Weakness of the JOINTS and MUSCLES, IMPURITY OF THE BLOOD, and INWARD WASTINGS may be cured by attention to the regular described doses, and by due regard to the habits of life.

FELLOWS'

Compound Syrup of Hypophosphites

The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced, and the large sale is the best guarantee of the estimation in which it is held by the public

This syrup will cure PULMONARY CONSUMPTION in the first and second stages, will give great relief and prolong life in the third. It will cure ASTHMA, BRONCHITIS, LARYNGITIS and COUGHS. It will cure all diseases originating from want of MUSCULAR ACTION and NERVOUS FORCE.

BORN.

BEEDLE—In Reno, October 2d, 1878, to the wife of William Beedle—a son.

JOTTINGS.

—The Republican county central committee will organize on Saturday next.

—D. McFarland of the Arcade has been awarded the bar privilege at the fair grounds.

—Arthur McEwen, local reporter of the GAZETTE, is confined to his bed by an abcess.

—Twelve bars of California bullion were shipped to San Francisco last night. Value of bullion, $56,262 80.

—Messrs. Leeper, Johnson and Robertson addressed the Workingmen of Washoe last night.

—The Sunday excursion trains on the V. & T. have been discontinued. The approach of winter is the cause.

—The pavilion was handsomely decorated to-day. The hall is 120x50 and the floor one of the best on this coast.

—The Republican county central committee will meet at the office of Justice Richardson at 2 P. M. next Saturday.

—There are 270 pupils in attendance at the public schools of Reno. After the fair the attendance will be larger.

—Go and get registered if you haven't attended to it already. If you have, see that some careless friend doesn't forget it.

—There will be a large attendance to-night at the opening ball of the State fair pavilion. Prof. Varney will furnish the music. Ticket for gentleman and lady $3.

—The papers of the neighboring counties advise all their readers to attend the ball to-night. All citizens of Reno who are not at the pavilion to-night by 10:30 will be locked up and fined.

—Pyramid lake is to be stocked with catfish. Seventy-five will be placed in this lake in a few days by A. Russell of Wadsworth. These valuable fish were obtained by C. P. officer Frank Burke from the Fish Commission.

—John Sunderland, Democratic nominee for the State Senate, positively declines the nomination. The county central committee will make a new nomination. Mr. S. was justly regarded by the Democrats as a strong man.

Decorate.

Decorate the heads of your wives and daughters, not with a club, nor yet with the household implements which may have been used upon your own person. Use instead one of the new and beautiful hats or bonnets which are to be had at a ruinous discount from Madames Harney & Brown. You can't miss the place, it is on Virginia street next to the opera-house and there is always a crowd on ladies either in the store or waiting on the sidewalk.

Clothing.

Mr. Abrams of the White House, which is next to the postoffice, and is really one of the best clothing stores on the coast in quality, quantity and variety of stock, inserts a local ad. in to-day's issue. Mr. A. is an enterprising business man, a man of experience and honesty in his trade. We commend him to the consideration of the public.

THE WORKINGMEN.

They Nominate H. H. Beck for Senator—The Resolutions.

REPORTORIAL WRATH.

[Provoked by some grossly mangled rhyming atrocities in last evening's GAZETTE.]

A stormy look came o'er his face,
His eye lit up with lurid fire,
He clutched the paper in his hand,
His body shook with ire.

"Bring here that printer!" out he roared
And smote his tall and noble head,
For every look he gave the sheet
His awful fury fed.

"Oh, damn the man that set this up!"
[These were the sinful words he used,]
And all because a dozen words
Were stupidly misspelled.

He seized the printer by the wool,
And knocked and punched with fiendish glee,
He danced upon his fallen foe.
That printer—where is he?

Windows Smashed.

Some hoodlums about 12 o'clock last night smashed all the windows of the building occupied by Chinese on Virginia street. Such acts are not to be commended notwithstanding the fact that these Chinamen should not be allowed to reside on one of the principal streets of town. They should be compelled to build in their own quarter of town and then protected in their rights. They are a positive nuisance on Virginia street. The foul stench of opium, wash-house and other filth is extremely disagreeable to those who have to pass along that street, and all proper means to induce or even compel them to move as quickly as possible from that street should be used, but acts of violence should not be resorted to.

East and West.

J. W. Scott, the musician and dancing master, has returned to civilization. Scott journeyed through California, and tarried in many towns. He says Reno is the most metropolitan and comes nearest to his idea of the "busy haunt of men."

Also N. J. Salisbdry, whom our citizens all know, after seeing the old folks at home and inspecting the smaller Eastern cities, returns to Reno as the choice. He will settle somewhere in the west.

Louis Bevier, one of the most affable and worthy of government employees, was in from the reservation north of Elko. Louis says he has the finest ranch in the country in charge, and we hope he has.

The Bar Privilege.

We are glad to announce that D. McFarland of the Arcade hotel has been awarded the bar privilege at the race track during fair week. We always like to see visitors to Reno get the worth of their money, and especially during fair week. Everybody knows that McFarland can keep a bar in first-class style, and they know besides that he will do it during fair week if he loses money. Dave stands in with Reno and all of her institutions, and we are glad that he is to have the management of the bar privilege. We hope it may prove profitable, and that all of his patrons will get value received for their money.

District Court.

The Italian Water Dich Co. case continues in the District Court. Gen. Clark appears for the plaintiff. Attorneys Webster and Hayden for the defendants. These Steamboat Italians can be relied on at every term of the District Court for a civil suit to settle their little disagreements in reference to their various irrigation ditches.

The grand jury last night made a partial report and adjourned until after the fair. They find the following bills of indictment: Charles Lewis, grand larceny; Rob. McGowan, grand larceny; Emmet Jones, grand larceny.

Fine Binder.

Osburne's self-binding harvester is just the thing for our farmers. It commends itself by its own work and is considered by competent Judges to be the most perfect binding machine in the world. Amongit's many points of excellence are it's lightness of draught, simplicity of structure and adaptability to all kinds of grain and any size bundle. Mr. C. W. Perry of Reno is the agent for this State and north-eastern California.

Personal.

Mr. D. R. Sessions, Democratic candidate for Superintendent of Public Instruction is in town. He is, as he descrides it, quietly becoming acquainted with the people of this town and county. Mr Sessions is a gentleman and a scholar, and the principal of the State University at Elko.

Wood.

Chaley Gilchrist, the urbane superintendent of the immense wood-yard at Brown's station, is in town. Mr. Gilchrist informs us he has now 16,000 cords in the yard and is shipping about 1200 cords per month. At Huffaker's station Mackey & Fair have about 21,000 cords awaiting shipment

POLITICAL.

REPUBLICAN PLATFORM.

Adopted at Eureka Sept. 18th.

Resolved, That we re-affirm the principles of, and renew our allegiance to the party which preserved the Union, freed the slaves and maintained the essential doctrine: that this is a nation and not a confederacy bound together with ropes of sand, and that both State and national governments should give ample and complete protection to its citizens, both at home and abroad; that against the assaults of traitors and rebels the Republican party has preserved these governments, and the Republicans of Nevada now demand that every qualified elector in every State—in every State, South and North, Democrats or Republican, black or white—shall be permitted, undisturbed by force and unawed by fear, to vote at all elections, at the places prescribed by law, and that every vote so cast shall be honestly counted, and that every person chosen by such votes, to any office shall be freely inducted into it, and effectively supported in the discharge of its duties. That the permanent pacification of the Southern section of the Union, and complete protection of all its citizens, in their civil, political, personal and property rights, is the duty to which the Republican party stands secretly pledged. In order to redeem this pledge, it placed the recent amendments in the Constitution, and upon the righteous basis of said amendments it will go forward in the work of pacification, until peace shall come through right doing, and contentment through justice. That the evident purpose of the Democratic party, if it should come into full power, is to pay hundreds of millions of suspended war claims of disloyal men, already presented to Congress or awaiting a favorable moment for presentation, makes it doubly important, now that the Senate is soon to pass under Democratic domination, that the House of Representatives to be chosen in the coming election should be under Republican control.

Resolved, That the validity of the presidential term was definitely and finally settled by the forty-fourth Congress, and that the attempt shadowed forth by the Potter resolutions to disturb the title by which President Hayes and Vice-President Wheeler held their seats is revolutionary and dangerous in the extreme, and characteristic as it is of the underlying motives of the rebel Democracy call for our unqualified disapproval and denunciation.

Resolved, That it is the duty of Congress to perfect with all possible expedition such legislation as will secure to the country the benefit of an honest and fair adjustment of freight and fares on all railroads, whose construction is the result of land grants, subsidies, loans and other government aid assistance.

Resolved, That the Republican party favors and demands at the hands of the State Legislature legislation having in view the regulation and equalization of freights and fares on all railroads within this State.

Resolved, That in their shameless disregard of our avowed principles, the Democratic party of this State in their unmistakable purpose to nominate the present incumbent of the gubernatorial office for a third term, have brought upon themselves the deserved distrust, not only of every Republican, but of the more honorable and consistent members of their own party.

Resolved, That we believe in the doctrine of rotation in office, and that so believing we are opposed to the nomination of candidates to office under the State government for a third term.

Resolved, that we hail with joy the remonetization of silver as a step toward our emancipation from the grasp of the corrupt money rings of Europe and America, and we ask Congress to complete the measure of our redemption by according to silver unrestained coinage.

Resolved. That in the legislation of the forty-fifth Congress, nothing more fully commands our approbation than the efforts of our Senators and Representatives in securing the remonetization of silver and the dual standard in the coinage of the country.

Resolved, That there should be retrenchment in the public service; that men elected to office should be qualified by education, intelligence and business habits to perform the duties of their respective offices, and that the system of deputyships and clerkships at present existing in the interest of State officers should be abolished at once and forever.

Resolved, That public lands are the property of the people, and therefore they should be reserved for actual settlers, aided in their settlement by the Government and protected in their possessions by just laws.

Resolved, That we recognize the wisdom of the framers of our constitution in providing for the taxation of the proceeds of the mines; that all taxes should be equal and uniform; that the present system of taxation is as just and fair as any that can be devised and should be preserved; that the mining corporations doing business in this State pay no more than their just proportion of taxes, while the railroad property situated within this State pay much less than its just proportion; that no more taxes should be raised any one year than are necessary to defray the actual and necessary expenses of the State during the same period, when economically and honestly administered; that the present rate of assessment of property should be decreased so as to produce only such a sum as is absolutely required to pay the expenses of the State, at the same time having due regard to the surplus of funds already in the treasury.

Resolved, That we refer with pride to the record of the Republican party in Congress, where, in spite of the assaults of a malignant and unscrupulous opposition, not one stain of dishonor rests, and not one act has been brought to light which reflects anything but renown upon the representatives of our organization and its principles.

Resolved, That labor in itself recognizes the Republican party as its exponent; demands emancipation from oppression, and elevation to its proper dignity, a just and equal place with capital, and that both are alike necessary to the well-being of society.

Resolved, That the general government should immediately take such steps as to absolutely stop the further immigration of Asiatics to our country; and that such just and peaceful measures should be adopted as may be appropriate and necessary to induce those already among us to quit our shores at the earliest practical moment.

Resolved, That the Republican party of the State of Nevada enters its most solemn protest and condemnation against any corrupt interference in the politics or legislation of this State, by moneyed rings or corporations, or the representative of aggregated wealth or capital; that we view with alarm the increasing and unceasing attempts of the moneyed powers of the Pacific States to control the elections and shape the legislation of said States; that the principal and practice are fraught with danger to our Republican form of government, and should be frowned down and resisted by every individual who has at heart the welfare of American institutions and the freedom of the masses.

Resolved, That we are unalterably opposed to the diversion of any moneys raised by the taxation of the whole people to the use or benefit of any sect or religious denomination.

Resolved, That we solemly declare it to be the sentiment of the Republican party that the breach of a pledge given to a nominating convention by a successful candidate for office is more disgraceful and dishonorable than the violation of any private trust or duty can possibly be.

Resolved, That to promote the advancement of education and morals, to stimulate a true and benificent enlightenment, and to preserve to the men, women and children of this State the fruits of the taxes so cheerfully borne and generously disbursed in behalf of our admirable system of public schools; to maintain the Union and protect its flag; to guard the memories of the dead who died in the name of Union, liberty and law; and to vindicate all our acts and purposes is the aim and mission of the Republican party here and elsewhere; and, first of all, to do that which is best for the preservation and perpetuation of that party and its principles, holding all men's claims and aspirations secondary to these high claims and ends; these are our duties, and these the intentions we do most strenuously maintain and avow.

REPUBLICAN

COUNTY PLATFORM.

Resolved, That we have known the Republican party to be the party of good government, and that it has always guaranteed the greatest good to the greatest number. Believing that an insidious foe in time of peace is no less dangerous than an avowed enemy in time of war, we refer to the glorious record of the Republican party as a full guarantee of its national use and significance. We therefore declare it to be the first duty of good citizens and in the first interests of good government that the Republican party be continued as the law-making power of the land.

Resolved, That we do heartily endorse the platform of the State convention of our party, held in Eureka Sept. 18th. That we endorse the same, both in spirit and letter, and do pledge our candidates to a fulfillment of the promises therein made to the people.

Resolved, That this convention, as a representative of the Republican party of Washoe county, heartily endorse and applaud the vote of Washoe's Senators and Assemblymen in the Legislature of '77 upon the infamous Bullion Tax compromise bill. And we declare that in our best judgment such vote was cast for honesty, purity and the public good.

Resolved, That, in our best judgment, the official acts of the Hon. J. P. Jones in the Senate of the United States meets with the hearty concurrence and approbation of the Republican party of Washoe county.

Resolved, That Washoe county demands a careful revision of the fee bill of this State, and such legislation relative to the compensation of public officials as the exigencies of the case requires. Believing that the fees of the public servants ought to be definitely and precisely fixed by law and regulated upon the basis of a fair compensation for the service performed, our candidates for the Senate and Assembly are hereby instructed and pledged, if elected, to use honorable means to secure legislation in this respect that will equitably regulate and adjust the correlative obligations of the people and public officers concerning public duties and the compensation therefor.

Resolved, That the Republican party of Washoe county believes the very first qualifications of its candidates must be honesty and capacity. No personal friendships or popularity shall be permitted to conceal or extenuate the dishonest or incapable administration of public affairs. Therefore the Republican party in convention assembled does hereby pledge itself and its candidates to a careful and prudent administration of the county affairs, and to such reforms or to existing abuses as the nature of the case demands.

Resolved, That we solemnly declare it to be the doctrine of the Republican party that the pledges given to a nominating convention by a successful candidate for office are binding and valid during his official term, that there is no power in any committee, State or county, to revoke them, and that a breach of such pledges is more disgraceful and dishonorable than the violation of any private trust or duty can possibly be.

Resolved, That we recognize property as the product of labor applied to forest, field, forge, furnace, mine and manufacture. That the wealth of any State or nation is proportionate to the number of its laborers. That States are more or less prosperous according to the wages which its laborers command, and that labor is the product while capital is only the result of such production. Believing that the policy of capital gives luxury to the few while well paid and prosperous labor gives comfort to all. We declare our wish that the interests of labor shall have a governing influence in shaping the affairs of state, thus bringing the greatest good to the greatest number.

Resolved, That the convention refuses to confer any appointing or elective power whatever upon the county central committee which shall be named by this body. We recognize the right of the people alone to name delegates to all conventions of the party, and we repudiate any other course as a manifest attempt to usurp by committee action rights which belong alike to every Republican.

Resolved, That our Senator and Assemblymen are pledged against remission of the penalty of $125,000 due the State from certain mining companies doing bussiness in Story county, and to oppose any bill looking to relieve such companies from said obligations.
